

SwanCap Investment Management S.A. – Investor Complaints

1. Investor Complaints

The protection of the interests of investors and clients has a high priority for SwanCap Investment Management S.A. (“SwanCap”). This also applies to the handling of complaints by investors and clients, and the complaints and escalation procedures as defined by SwanCap’s Complaint Handling Policy is set out below.

We see complaints as an opportunity to strengthen our customer loyalty and improve the quality of our service.

2. Complaints handling

All investor complaints may be submitted free of charge and in the investor’s respective national or native language to any person at SwanCap, and/or directly to SwanCap’s Complaint Handling Officer (contact details below).

If the complaint is made directly to the Complaint Handling Officer in writing (by post, fax or email) (“Formal Complaint”), SwanCap will acknowledge the receipt of the Formal Complaint within ten (10) days of receipt of the Formal Complaint and the Complainant will receive a formal response to his/her complaint no later than one (1) month after he/she has sent the Formal Complaint. If it should become apparent that, because of the complexity of the circumstances or otherwise, the processing of the Formal Complaint will take longer than one (1) month, the Complainant will be informed about the causes of the delay and a timeline for the response will be provided. The Complainant is kindly asked to indicate to us their preferred means of contact (post, fax, telephone, email or other) as well as their contact details.

If a complaint to SwanCap is made in any other way than a Formal Complaint, SwanCap will acknowledge the receipt of such a non-formal complaint usually within two (2) business days but no later than ten (10) days from receipt and will inform that the Complainant that, although SwanCap will continue to investigate the issue at hand, this non-formal complaint does not meet the pre-requisites to enable an escalation to the CSSF as set out below and will notify the Complainant about the applicable complaints procedures that are required prior to escalation to the CSSF.

Nevertheless, SwanCap endeavours to send to the Complainant a response to his/her non-formal complaint no later than one (1) month after he/she has sent the complaint. The Complainant may at any time make a Formal Complaint to the Complaint Handling Officer.

3. Escalation to the Commission du Surveillance du Secteur Financier (“CSSF”)

In case the Complainant did not receive an answer or a satisfactory answer to his Formal Complaint, the Complainant is herewith informed of the ability to escalate their claim to the CSSF following the terms and conditions described in CSSF Regulation 16-07, relating to out-of-court dispute settlement (<http://www.cssf.lu>) in writing, by post, by fax or online to the CSSF, or (address/numbers/URL available on the CSSF website <http://www.cssf.lu/en/consumer/complaints/>) if the following conditions are met:

- The complaint to the CSSF must be filed with the CSSF (as described above) within one (1) year after the complaint with SwanCap’s Complaint Handling Officer was filed.

- the express authorisation of the applicant so that the CSSF can transmit its request (including the attachments) as well as any future correspondence or information to the professional concerned by the request;
